**EMERGENCY RULE ONLY**

Under RCW 34.05.350 the agency for good cause finds:

- ☐ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

#### NEW SECTION

**WAC 246-314-015 Application requirements.** The project sponsor shall submit to the program:

(1) An estimated permit value at the time of application. Permit valuations include the total value of work, including materials and labor, such as electrical, gas, mechanical, plumbing equipment and permanent systems. If the program determines the valuation is underestimated, the program shall deny the application unless the applicant can show detailed estimates to meet the program's approval. Final building permit valuation is set by program;

(2) A completed project review application form with project documents for review;

(3) Documentation as required by the applicable licensing or certification rules; and

(4) The appropriate fee based upon the initial project construction cost as determined from the construction fee table in

AMENDATORY SECTION (Amending WSR 95-12-097, filed 6/7/95, effective 7/8/95)

WAC 246-314-990 Construction review fees. (1) (~~The project sponsor shall submit to the department:~~

~~(a) A completed project review application form along with project documents for review; and~~

~~(b) The appropriate fee based upon the initial project construction cost as determined from the following construction fee table:))~~ Upon prior approval by the program the project sponsor may exclude from the "project cost" the cost for fixed or installed technologically advanced clinical equipment such as but not limited to: Lithotripters, CT scans, linear accelerators, and MRIs.

(2) The program shall charge a flat fee for the review of the following projects:

(a) Installation of interior finishes only, one hundred twenty dollars;

(b) Change of approved use only, one hundred twenty dollars;

(c) The first submission for review and approval of the site installation of a mobile unit, four hundred seventy dollars. Each additional submission of the same project, two hundred eighty-five dollars;

(d) The first submission for review and approval of the equipment supplier of a mobile unit, four hundred seventy dollars. Each additional submission of the same project, two hundred eighty-five dollars;

(e) Each eight staff hours or fraction thereof for technical assistance, four hundred ten dollars. For technical assistance requiring travel, the program may increase the fee to include travel.

(3) Building conversion fees will be based on the value of existing construction and derived from the fee schedule. The existing construction value is based on the local area cost data. Current cost data will be made available and posted on the construction review services web site. Project sponsors may submit specific cost data that accurately describes the estimate good faith value for the program's consideration.

~~((2) The department shall charge a flat fee of eighty dollars for a project involving installation of carpet only.~~

~~(3) The project sponsor may request a reduction in the project review fee for fixed or installed technologically advanced diagnostic or treatment equipment projects including lithotripters, CT scans, linear accelerators, or MRI's.~~

~~(4) The department may adjust the project review fee if:~~

~~(a) The final project cost changes as evidenced on the certificate of project completion card; or~~

~~(b) The project sponsor requests a reduction in the fee according to subsection (3) of this section))~~ (4) Fee reductions.  
The program may decrease the project review fees, when:

(a) The project sponsor requests a reduction in the fee according to subsection (1) of this section;

(b) The project is prepared by a state licensed architect or

engineer when architectural or engineering services are not required by rule. In this case the project may qualify for a reduction of up to fifteen percent;

(c) A facility is converted from another occupancy as defined by the state building code; a facility is converted from one license to another; or, a facility that is currently unlicensed, but was previously licensed through the DOH or DSHS, wishes to be reviewed for licensure, then the construction review fee reduction of up to fifty percent from that shown on the construction review fee schedule shall be allowed. The amount of fee reduction will be determined by the estimated amount of systems review required to ensure that the rules have been met;

(d) Total fee reductions may not exceed seventy percent of the original estimated review fee.

(5) Refunds. The program shall refund fees paid when requested by the applicant as follows:

(a) The final project cost as shown on the project completion card is less than the project cost shown on the application.

(b) If an application and fee has been received but no plan review or technical assistance has been performed by the program, three-fourths of the fees paid;

(c) If an application and fee has been received and plan review or technical assistance has been performed by the department, one-half of the fees paid;

(d) No fees paid by the applicant will be refunded if any of the following applies:

(i) More than two on-site visits, conferences, or plan reviews for any purpose have been performed by the program;

(ii) One year has elapsed since an application and fee is received by the program, but no permit is issued because applicant failed to complete requirements for permit;

(iii) The amount to be refunded as calculated by (a), (b), or (c) of this subsection is one hundred twenty dollars or less;

(iv) Approval or authorization to begin construction has been given or construction has commenced; or

(v) A request has not been received to cancel the project.
